

Sing That Funky Music Austin

Parody lyrics by Julie Blake

Hey sing it now Yeah Yeah

Singing in my car on Mopac

Rockin' out on I-35

Thinking no one wants to hear me

Superstar on my morning drive

Then I heard of Rock It Choir

Calling me to get up and go

And I decided quickly

To disco down and check out the show

And they were

Dancin' and singin' and movin' to the groovin'

And just when it hit me somebody turned around and shouted

Sing that funky music Austin

Sing that funky music loud

Sing that funky music Austin

Lay down that boogie and sing that funky music feel alive?

Feel alive y'all so alive

I tried to understand this

I thought that they were out of their minds

How could I be so foolish

To not see I was so far behind

But then they got me singing

Knew that I had found my tribe

I said, I must go back there

To get some more of those good vibes

And we were

Dancin' and singin' and movin' to the groovin'

And just when it hit me somebody turned around and shouted

Sing that funky music Austin

Sing that funky music loud

Sing that funky music Austin

**Lay down that boogie and sing that funky music feel alive
Feel alive y'all so alive**

Funky guitar solo

**Was surprised it was so easy
Singing in my rock n roll tribe
And now it's not so lonely
Rocking out on I-35**

**And now it's so much better
I'm rockin' out in every way
But I'll never lose that feelin'
Of how I learned to let go and play**

**And we were
Dancin' and singin' and movin' to the groovin'
And just when it hit me somebody turned around and shouted
Sing that funky music Austin
Sing that funky music loud
Sing that funky music Austin
Lay down that boogie and sing that funky music feel alive
Feel alive y'all so alive**

**They shouted
Sing that funky music
Sing that funky music
Sing that funky music
Got to keep on singing funky music
Sing that funky music
Sing that funky music
Sing that funky music
Come and take you higher now
Sing that funky music Austin
Sing that funky music loud
Sing that funky music Austin
Lay down the boogie and sing that funky music feel alive**
